Mr. Robert Walker, President  
American Program Bureau  
815 Boylston St.,  
Brookline, Mass.

Dear Mr. Walker,

Enclosed is the certified letter I sent you at your old address on 9/10/75.

I'm sorry about the delay in reaching you because I do regard this as an important matter.

If you have any questions, please do ask me.

The amount of harm done by this kind of thing, and not only to me, has grown to the point where I really have no choice but to do what I can to stop it before it is even greater.

Sincerely,

Harold Weisberg
